INSIDE AREA

Inside there is a buffet and a bar that is open throughout the event. Drinks can be taken from the start of the first training or racing sessions until the last checkered flag

ABOUT LOUIS RC

Our **LOUIS** Racing Club will be entering its third year in 2025, and our intention is to be more beautiful, more exclusive, more individual! With a great view of the start, this is the place to be. The grandstand reserved especially for our Racing Club offers an up-close experience of the start like you have never experienced before!

CHILL OUT AREA

In addition to the interior rooms and the grandstand with a view of the start and the holeshot curve, there are several chill-out areas in the **LOUIS** Racing Club. Whether on the terrace on pallet furniture or in beanbags, everyone will find their place here.

CATERING

A comprehensive lunch buffet awaits you in the VIP Racing Club on both days. Afterwards, snacks and fingerfood will be available for you until the final checkered flag. There will be no lack of culinary delights on race day. Drinks are available also for you!
